# CREDAI HAI TO BHAROSA HAI

Way back in 2003, a strong foundation was laid to take the realty sector in odisha to greater heights. It was when Odisha Chamber of Real estate Developers association (OCHDA) was formed. Later the body got affiliated from Confederation of Real Estate Developers Association of India as its Odisha Chapter- now precisely named as "CREDAI ODISHA. From its inception the main aim of Credai Odisha has been to provide a unique platform for the private real estate developers and facilitate growth of real eastate industry in the state, in turn fueling growth of national economy. With its significant contribution to the progress of state's realty sector CREDAI has toady emerged as the apex body for the real estate developers in the state of Odisha.

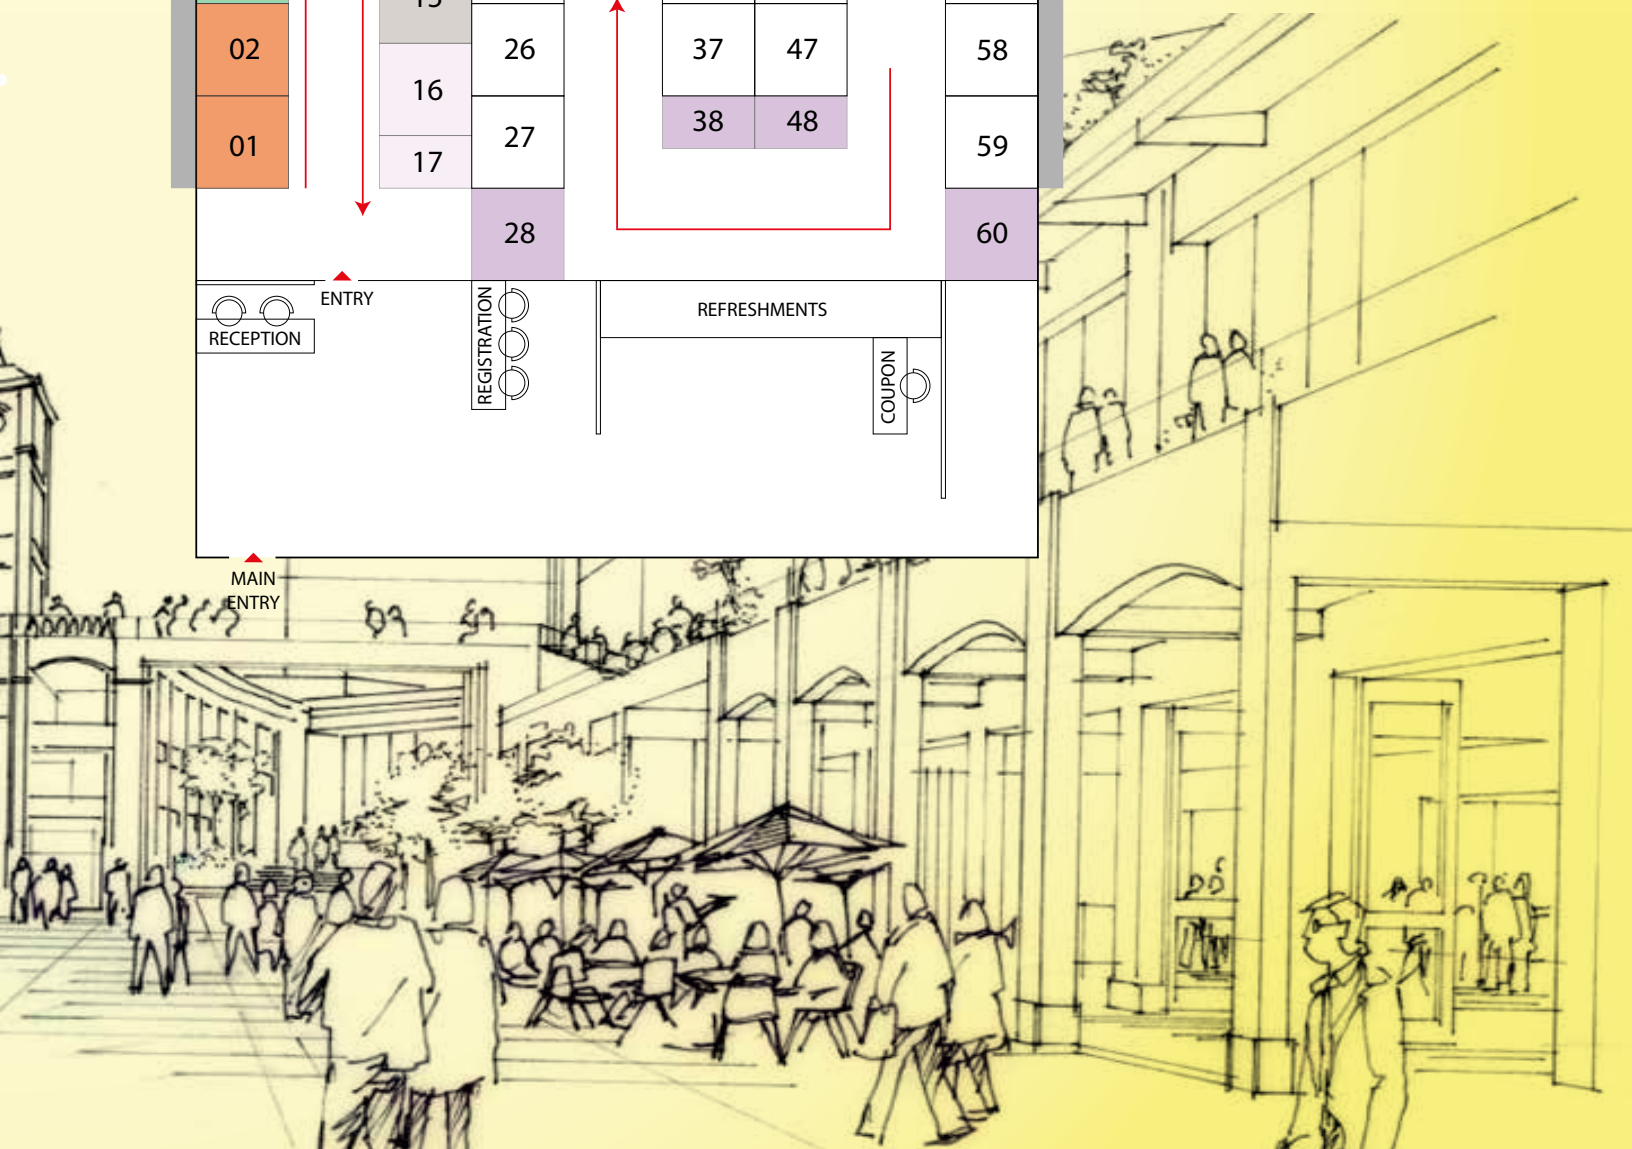

CREDAI links private realestate developers to the goverment and customers through numerous initiatives and activities sensing a mass movement towards a decidedly urban future. CREDAI over the years has devotely organised many property exhibitions. Each of the exhibitions has been unique in the sense that it has provided an exceptional oppertunity for buyers and sellers of housing estates to come together, know each other and have free and open interaction.

Continuing it's focused in this direction Credai Odisha is all set to organise a 4 day long property expo at Swosti Premium from November 14-17, 2014. This event will bring together property developers, loan assistance providers and customers under a single roof. Conceived with a mission "CREDAI HAI TO BHAROSA HAI" this event is expected to be a true one stop solution for realising once realty dream packed with thought sharing sessions involving eminent personalities, dignitaries, leading developers, the press & media. This event holds the promise to excite anyone with the slightest interest in the real estate.
